JOHN J. LUPICA, President

AUTHORIZED REPRESENTATIVE

This Policy is issued by the stock insurance company identified in the Declarations (hereinafter *the Insurer*).

THIS POLICY PROVIDES LIABILITY COVERAGE ON A CLAIMS-MADE AND REPORTED BASIS, WHICH COVERS ONLY CLAIMS FIRST MADE AGAINST THE INSURED DURING THE POLICY PERIOD AND REPORTED TO THE INSURER, IN WRITING, DURING THE POLICY PERIOD OR WITHIN THIRTY DAYS THEREAFTER, UNLESS AN EXTENDED REPORTING PERIOD APPLIES. THIS POLICY ALSO PROVIDES FIRST-PARTY COVERAGES ON A DISCOVERED AND REPORTED BASIS, WHICH COVERS ONLY POLLUTION CONDITIONS AND INDOOR ENVIRONMENTAL CONDITIONS, AS APPLICABLE, FIRST DISCOVERED DURING THE POLICY PERIOD AND FOR WHICH A FIRST-PARTY CLAIM IS REPORTED TO THE INSURER, IN WRITING, DURING THE POLICY PERIOD OR WITHIN THIRTY DAYS THEREAFTER. FINALLY, THIS POLICY PROVIDES COVERAGE FOR EMERGENCY RESPONSE COSTS THAT IS LIMITED BY MORE SPECIFIC REPORTING CRITERIA AND COVERS ONLY EMERGENCY RESPONSE COSTS INCURRED, AND REPORTED TO THE INSURER, IN WRITING, WITHIN THE SPECIFIC TIMING REQUIREMENTS IDENTIFIED IN THIS POLICY. PLEASE READ THIS POLICY CAREFULLY. SOME OF THE PROVISIONS CONTAINED IN THIS POLICY RESTRICT COVERAGE, SPECIFY WHAT IS AND IS NOT COVERED AND DESIGNATE YOUR RIGHTS AND DUTIES. LEGAL DEFENSE EXPENSES ARE SUBJECT TO AND SHALL ERODE THE LIMITS OF LIABILITY AND ANY APPLICABLE SELF-INSURED RETENTION.

Throughout this Policy the words *the Insurer* shall refer to the company providing this insurance. Other words and phrases that appear in quotation marks have special meanings and are defined in Section V., **DEFINITIONS**.

In consideration of the payment of the premium and in reliance upon all statements made in the Application to this Policy, including the information furnished in connection therewith, and subject to all terms, definitions, conditions, exclusions and limitations of this Policy, the Insurer agrees to provide insurance coverage to the “insured” as described herein.

I. INSURING AGREEMENTS

Solely to the extent that the coverages below are identified on the Declarations to this Policy as being underwritten by the Insurer, the Insurer agrees to pay on behalf of the “insured” for “loss”, in excess of the “self-insured retention” or deductible period (as applicable), resulting from:

A. FIRST-PARTY REMEDIATION COSTS COVERAGE (Coverage A.)

“First-party claims” arising out of: **1)** a “pollution condition” on, at, under or migrating from a “covered location”; **2)** an “indoor environmental condition” at a “covered location”; or **3)** a “pollution condition” resulting from “transportation”, provided the “insured” first discovers such “pollution condition” or “indoor environmental condition” during the “policy period”. Any such “first-party claim” must be reported to the Insurer, in writing, during the “policy period” or within thirty (30) days after the expiration of the “policy period”.

The coverage afforded pursuant to this Coverage **A.** only applies to “pollution conditions” or “indoor environmental conditions” that first commence, in their entirety, on or after the retroactive date identified in Item **5.** of the Declarations, if applicable, and prior to the expiration of the “policy period”.

B. FIRST-PARTY EMERGENCY RESPONSE COVERAGE (Coverage B.)

“First-party claims” arising out of: **1)** a “pollution condition” on, at, under or migrating from a “covered location”; **2)** an “indoor environmental condition” at a “covered location”; or **3)** a “pollution condition” resulting from “covered operations” or “transportation”, provided the “insured” first discovers such “pollution condition” or “indoor environmental condition” during the “policy period”. Any such “first-party claim” must be reported to the Insurer, in writing, during the “policy period” or within thirty (30) days after the expiration of the “policy period”.

The coverage afforded pursuant to this Coverage **B.** only applies to “pollution conditions” or “indoor environmental conditions” that first commence, in their entirety, on or after the retroactive date identified in Item **5.** of the Declarations, if applicable, and prior to the expiration of the “policy period”.

C. THIRD-PARTY CLAIMS COVERAGE (Coverage C.)

“Claims” arising out of a “pollution condition” or an “indoor environmental condition”, provided the “claim” is first made during the “policy period”. Any such “claim” must be reported to the Insurer, in writing, during the “policy period” or within thirty (30) days after the expiration of the “policy period”, or during any applicable “extended reporting period”.

The coverage afforded pursuant to this Coverage C. only applies to “pollution conditions” or “indoor environmental conditions” that first commence, in their entirety, on or after the retroactive date identified in Item 5. of the Declarations, if applicable, and prior to the expiration of the “policy period”.

II. LIMITS OF LIABILITY AND SELF-INSURED RETENTION

- A. It is expressly agreed that the Insurer’s obligation to pay for any covered “loss” (exclusive of “business interruption loss”) pursuant to this Policy shall attach to the Insurer only after the “first named insured” has paid, or has provided evidence to the Insurer that another “named insured” has paid, the full amount of the “self-insured retention” with respect to any covered “pollution condition” or “indoor environmental condition”. Under no circumstances, including, but not limited to, an “insured’s” insolvency and/or bankruptcy, shall the Insurer be liable to pay any amount within the “self-insured retention”. In the event that the “first named insured” cannot provide satisfactory evidence that a “named insured” has paid the full amount of the “self-insured retention” with respect to any covered “pollution condition” or “indoor environmental condition”, the “first named insured” shall remain responsible to pay the “self-insured retention” before the Insurer’s payment obligation pursuant to this Policy shall attach with respect to coverage sought by any “insured”.

Notwithstanding the foregoing, if the “insured” agrees with the Insurer to use “mediation” to successfully resolve any “claim” for which “legal defense expenses” have been incurred, then the “self-insured retention” applicable to the “pollution condition” or “indoor environmental condition” that corresponds to such “claim” shall be reduced by fifty percent (50%), subject to a maximum reduction in the “self-insured retention” of twenty-five thousand dollars (\$25,000).

In addition to the foregoing, it is expressly agreed that the Insurer’s obligation to pay for any covered “business interruption loss” pursuant to this Policy shall attach to the Insurer only after the relevant “insured” has also borne the full amount of the “business interruption loss” within the deductible period identified in Item 4. of the Declarations to this Policy.

- B. One “self-insured retention” shall apply to all “loss” (exclusive of “business interruption loss”) arising out of the same, continuous, repeated, or related “pollution condition” or “indoor environmental condition”. If the same, continuous, repeated, or related “pollution condition” or “indoor environmental condition” triggers coverage pursuant to multiple coverage parts, or otherwise involves multiple exposures that have been assigned exposure-specific “self-insured retention” amounts by endorsement to this Policy, the single largest of the associated “self-insured retention” amounts identified in: **1)** Item 4. of the Declarations; **2)** any Supplemental Coverage added by endorsement to this Policy; or **3)** any exposure-specific “self-insured retention” endorsement identified as part of this Policy, shall apply to all “loss” and other covered exposures arising out of such “pollution condition” or “indoor environmental condition”, except for any “catastrophe management costs” that are assigned an exposure-specific “self-insured retention” by endorsement to this Policy, if any (hereinafter Catastrophe Management-Specific SIR Obligation). Amounts within any such Catastrophe Management-Specific SIR Obligation shall be independent of, and shall not otherwise erode, the single largest “self-insured retention” applicable to all other covered exposures arising out of the same “pollution condition” or “indoor environmental condition” as contemplated herein.
- C. One deductible period shall apply to all “business interruption loss” arising out of the same, continuous, repeated, or related “pollution condition” or “indoor environmental condition”.
- D. Subject to Subsections E. and F., below, the most the Insurer shall pay for all “loss” arising out of the same, continuous, repeated, or related “pollution condition” or “indoor environmental condition” is the Per Pollution Condition or Indoor Environmental Condition Limit of Liability identified in Item 3.a. of the Declarations to this Policy.
- E. Subject to Subsection D., above, and Subsection F., below, **\$250,000** shall be the maximum amount the Insurer shall pay for all “catastrophe management costs” arising out of all “pollution conditions” and “indoor environmental conditions”.
- F. Subject to Subsections D. and E., above, the Total Policy and Program Aggregate Limit of Liability identified in Item 3.b. of the Declarations shall be the maximum liability of the Insurer pursuant to this Policy with respect to all “loss”.

G. If the Insurer or an affiliate has issued pollution liability coverage afforded on a discovered and reported basis or claims-made and reported basis consistent with coverage afforded pursuant to this Policy in one or more policy periods, and a “pollution condition” or “indoor environmental condition” is first discovered and reported to the Insurer, or a “claim” is first made and reported to the Insurer with respect to a “pollution condition” or “indoor environmental condition”, in accordance with the terms and conditions of this Policy, then:

- 1.** Any continuous, repeated, or related “pollution condition” or “indoor environmental condition” that is subsequently reported to the Insurer during later policy periods shall be deemed to be one “pollution condition” or “indoor environmental condition” discovered during this “policy period”; and
- 2.** All “claims” arising out of:
 - a.** The same, continuous, repeated, or related “pollution condition” or “indoor environmental condition” that was discovered during this “policy period”; or
 - b.** The same, continuous, repeated, or related “pollution condition” or “indoor environmental condition” that was the subject of a “claim” first made and reported in accordance with the terms and conditions of this Policy,

shall be deemed to have been first made and reported during this “policy period” and no other policy shall respond.

III. DEFENSE AND SETTLEMENT

A. The Insurer shall have the right and, subject to the “self-insured retention” obligation, the duty to defend the “insured” against a “claim” to which this insurance applies. The Insurer shall have no duty to defend the “insured” against any “claim” to which this insurance does not apply. The Insurer’s duty to defend the “insured” ends once the Limits of Liability are exhausted or are tendered into a court of applicable jurisdiction, or once the “insured” refuses a settlement offer as provided in Subsection **E.**, below.

B. The Insurer shall have the right to select legal counsel to: **1)** represent the “insured” for the investigation, adjustment, and defense of any “claims” covered pursuant to this Policy; and **2)** assist the “insured” with clarifying the extent of, and to help minimize, any “first-party remediation costs”. Selection of legal counsel by the Insurer shall not be done without the consent of the “insured”; such consent shall not be unreasonably withheld.

In the event the “insured” is entitled by law to select independent counsel to defend itself at the Insurer’s expense, the attorney fees and all other litigation expenses the Insurer shall pay to that counsel are limited to the rates the Insurer actually pays to counsel that the Insurer normally retains in the ordinary course of business when defending “claims” or lawsuits of similar complexity in the jurisdiction where the “claim” arose or is being defended. In addition, the “insured” and the Insurer agree that the Insurer may exercise the right to require that such counsel: **1)** have certain minimum qualifications with respect to their competency, including experience in defending “claims” similar to those being asserted against the “insured”; **2)** maintain suitable errors and omissions insurance coverage; **3)** be located within a reasonable proximity to the jurisdiction of the “claim”; and **4)** agree in writing to respond in a timely manner to the Insurer’s requests for information regarding the “claim”. The “insured” may at any time, by its signed consent, freely and fully waive its right to select independent counsel.

C. The “insured” shall have the right and the duty to retain a qualified environmental consultant or “catastrophe management firm” to: **1)** perform any investigation and/or remediation of any “pollution condition” or “indoor environmental condition” covered pursuant to this Policy; or **2)** perform “catastrophe management services” covered pursuant to this Policy, respectively. The “insured” must receive the consent of the Insurer prior to the selection and retention of such consultant or “catastrophe management firm”, except in the event of a “first-party claim” that results in “emergency response costs”.

D. “Legal defense expenses” reduce the Limits of Liability identified in the Declarations to this Policy, and, unless specifically stated otherwise herein, any applicable Limits or Sublimits of Liability identified in any endorsement hereto. “Legal defense expenses” shall also be applied to the “self-insured retention”.

E. The Insurer shall present all settlement offers to the “insured”. If the Insurer recommends a settlement which is acceptable to a claimant, exceeds any applicable “self-insured retention”, is within the Limits of Liability, and does not impose any additional unreasonable burdens on the “insured”, and the “insured” refuses to consent to such settlement offer, then the Insurer’s duty to defend shall end. Thereafter, the “insured” shall defend such “claim” independently and at the “insured’s” own expense. The Insurer’s liability shall not exceed the amount for which the “claim” could have been settled if the Insurer’s recommendation had been accepted, exclusive of the “self-insured retention”.

IV. COVERAGE TERRITORY

The coverage afforded pursuant to this Policy shall only apply to “pollution conditions” or “indoor environmental conditions” located, and “claims” made, within the United States of America.

V. DEFINITIONS

 3. Costs incurred by the “insured” as rent for temporary premises when a portion of a “covered location” becomes untenantable due to a “pollution condition” or “indoor environmental condition” and temporary premises are required to continue the “insured’s” operations. Such rental costs cannot exceed the fair rental value of the untenantable portion of the “covered location” immediately preceding the “pollution condition” or “indoor environmental condition”.
- E. “Business interruption”** means the necessary partial or complete suspension of the “insured’s” operations at a “covered location” for a period of time, which is directly attributable to a “pollution condition” or “indoor environmental condition” to which Coverage **A.** of this Policy applies. Such period of time shall extend from the date that the operations are necessarily suspended and end when such “pollution condition” or “indoor environmental condition” has been remediated to the point at which the “insured’s” normal operations could reasonably be restored.
- F. “Business interruption loss”** means:
1. “Business income”;
 2. “Extra expense”; and
 3. “Delay expense”.
- G. “Catastrophe management costs”** means reasonable and necessary expenses approved by the Insurer, in writing, except for those expenses incurred during the same seven (7) day period associated with “emergency response costs”, which have been incurred by the “insured” for the following:

 5. Sums advanced to third-parties directly harmed by the “pollution condition” or “indoor environmental condition” for their medical costs; funeral costs; psychological counseling; travel expenses costs; temporary living costs or other necessary response costs,
- but solely in those instances when, in the good faith opinion of a “key executive”, the associated “pollution condition” or “indoor environmental condition” has resulted in or is reasonably likely to result in: **a)** “loss” (exclusive of “catastrophe management costs”) that will exceed the applicable “self-insured retention”; and **b)** a need for “catastrophe management services” due to “adverse media coverage”.

“Catastrophe management costs” do not include any “legal defense expense”.

- H. “Catastrophe management firm”** means any firm that is approved, in writing, except for firms retained for the same seven (7) day period associated with “emergency response costs”, by the Insurer to perform “catastrophe management services” in connection with a “pollution condition” or “indoor environmental condition”.
- I. “Catastrophe management services”** means advising the “insured” with respect to minimizing potential harm to the “insured” from a covered “pollution condition” or “indoor environmental condition” by managing “adverse media coverage” and maintaining and restoring public confidence in the “insured”, and its services or products.
- J. “Claim”** means the written assertion of a legal right received by the “insured” from a third-party, or from another “insured” that is party to an “environmental indemnity obligation”, including, but not limited to, a “government action”, suits or other actions alleging responsibility or liability on the part of the “insured” for “bodily injury”, “property damage” or “remediation costs” arising out of “pollution conditions” or “indoor environmental conditions” to which this insurance applies.
- K. “Covered location”** means:
1. Any location owned, operated, managed, leased or maintained by the “first named insured”, or any “named insured” affiliated by common ownership with the “first named insured”, upon the inception date identified in Item 2. of the Declarations to this Policy;
 2. Any location that meets the prerequisites to coverage identified in the Automatic Acquisition and Due Diligence Endorsement attached to this Policy, if any; and
 3. Any other location specifically scheduled as a “covered location” by endorsement attached to this Policy, if any.
- L. “Covered operations”** means any operations that are identified in the Application and any supporting documentation provided to the Insurer by the “first named insured” prior to the inception date identified in Item 2. of the Declarations to this Policy, which are performed by or on behalf of a “named insured” outside of the physical boundaries of a “covered location”.
- M. “Delay expense”** means, for a “covered location” under development where a “pollution condition” or “indoor environmental condition” causes a delay in the completion or development during the “business interruption”, any of the following expenses:
1. Additional interest on money the “insured” has borrowed to finance the construction, development, or remediation of a project at a “covered location”;
 2. Additional realty taxes and other assessments;
 3. Additional advertising or promotional expense;
 4. Additional expenses incurred resulting from the renegotiation of leases, including associated usual and customary legal representation expense; and
 5. Additional engineering, architectural, and consulting fees.
- N. “Emergency response costs”** means “first-party remediation costs” incurred within seven (7) days following the discovery of a “pollution condition” or “indoor environmental condition” by a “responsible person” in order to abate or respond to an imminent and substantial threat to human health or the environment arising out of:
1. A “pollution condition” or “indoor environmental condition” on, at, under or migrating from a “covered location”; or
 2. A “pollution condition” resulting from “covered operations” or “transportation”,
- provided such “emergency response costs” are reported to the Insurer within fourteen (14) days of when that “responsible person” first became aware of such “pollution condition” or “indoor environmental condition”.
- O. “Environmental indemnity obligations”** means an “insured’s” obligations to defend or indemnify a third-party with respect to a “pollution condition” or “indoor environmental condition” to which this insurance otherwise applies, provided that such defense or indemnity obligation is explicitly included within a contract identified or described on the Schedule of Insured Contracts Endorsement attached to this Policy, if any.
- P. “Environmental law”** means any Federal, state, commonwealth, municipal or other local law, statute, ordinance, rule, guidance document, regulation, and all amendments thereto (collectively Laws), including voluntary cleanup or risk-based corrective action guidance, or the direction of an “environmental professional” acting pursuant to the authority provided by any such Laws, along with any governmental, judicial or

administrative order or directive, governing the liability or responsibilities of the “insured” with respect to a “pollution condition” or “indoor environmental condition”.

Q. “Environmental professional” means a licensed professional that is:

1. Mutually agreed upon by the Insurer and the “insured”, except with respect to “emergency response costs”; and
2. Qualified by licensure, knowledge, skill, education and training to perform an assessment, prepare an investigation protocol, interpret the results and prepare a scope of work to remediate a “pollution condition” or “indoor environmental condition”.

R. “Extended reporting period” means the additional period of time in which to report a “claim” first made against the “insured” during or subsequent to the end of the “policy period”.

S. “Extra damages” means punitive, exemplary or multiplied damages, and civil fines, penalties and assessments, but solely to the extent that the punitive, exemplary or multiplied damages, and civil fines, penalties and assessments:

1. Are insurable under applicable law; and
2. Arise out of a “pollution condition” or “indoor environmental condition” that results in “bodily injury”, “property damage”, “remediation costs” or “first-party remediation costs” to which this insurance otherwise applies.

T. “Extra expense” means costs incurred by the “insured” due to a “pollution condition” or “indoor environmental condition” that are necessary to avoid or mitigate any “business interruption”. Such costs must be incurred to actually minimize the amount of foregone “business income” that would otherwise be covered pursuant to this Policy.

U. “First named insured” means the person or entity as identified in Item 1. of the Declarations to this Policy. The “first named insured” is the party responsible for the payment of any premiums and the payment of, or evidencing payment of, any applicable “self-insured retention” amounts. The “first named insured” shall also serve as the sole agent on behalf of all “insureds” with respect to the provision and receipt of notices, including notice of cancellation or non-renewal, receipt and acceptance of any endorsements or any other changes to this Policy, return of any premium, assignment of any interest pursuant to this Policy, as well as the exercise of any applicable “extended reporting period”, unless any such responsibilities are otherwise designated by endorsement.

V. “First-party claim” means the first-party discovery of a “pollution condition” or an “indoor environmental condition” during the “policy period” by an “insured” to which this insurance applies.

W. “First-party remediation costs” means reasonable and necessary “remediation costs” incurred by an “insured” resulting from a “first-party claim”. If no applicable laws exist that govern the remediation, investigation, quantification, monitoring, removal, disposal, treatment, neutralization, or immobilization of such “pollution condition” or “indoor environmental condition” in the jurisdiction of the “covered location”, necessary “remediation costs” may be established by securing the written professional recommendations of an “environmental professional”.

“First-party remediation costs” also means reasonable and necessary expenses required to restore, repair or replace real or personal property to substantially the same condition it was in prior to being damaged during the course of responding to a “pollution condition” or “indoor environmental condition”. Such expenses shall not include costs associated with betterments or improvements, except to the extent that such betterments or improvements are exclusively associated with the use of building materials which are environmentally superior to those materials which comprised the original damaged property. Any such environmentally superior material must be: **a)** certified as such by an applicable independent certifying institution, where such certification is available; or **b)** in the absence of any such certification, based solely on the judgment of the Insurer and at its sole discretion.

X. “Fungi” means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents, or byproducts produced or released by “fungi”.

Y. “Government action” means action taken or liability imposed by any Federal, state, commonwealth, municipal or other local government agency or body acting pursuant to the authority of “environmental law”.

Z. “Illicit abandonment” means:

1. Solely with respect to coverage for “covered locations”, the intentional placement or abandonment of any solid, liquid, gaseous or thermal irritant, contaminant, or pollutant, including contaminated soil,

The Insurer may examine and audit the "insured's" books and records during this "policy period" and extensions thereof and within three (3) years after the final termination of this Policy.

The insolvency or bankruptcy of any "insured", or any "insured's" estate, shall not relieve the Insurer of its obligations pursuant to this Policy. However, any such insolvency or bankruptcy of the "insured", or the "insured's" estate, shall not relieve the "insured" of its "self-insured retention" or deductible period obligations pursuant to this Policy. This insurance shall not replace any other insurance to which this Policy is excess, nor shall this Policy drop down to be primary, in the event of the insolvency or bankruptcy of any underlying insurer.

All "insureds" shall do nothing to prejudice such rights. Expenses incurred in such subrogation proceedings shall be apportioned among the interested parties in the recovery in the proportion that each interested party's share in the recovery bears to the total recovery.

2. Separately to each “named insured” against whom a “claim” is made,

and any fraud, misrepresentation, breach of a condition or violation of any duty (hereinafter Breach) by an “insured” shall not prejudice coverage for any “named insured” pursuant to this Policy, provided that: **1)** such “named insured” did not participate in, know of or assist in such Breach; and **2)** such “named insured” is not a parent, subsidiary, partner, member, director, officer of, employer of or otherwise affiliated with, the “insured” that committed such Breach.

H. Other Insurance

If other valid and collectible insurance is available to any “insured” covering “loss” also covered by this Policy, other than a policy that is specifically written to apply in excess of this Policy, the insurance afforded by this Policy shall apply in excess of and shall not contribute with such other insurance.

I. Changes and Assignment

Notice to or knowledge possessed by any person shall not effect waiver or change in any part of this Policy or estop the Insurer from asserting any right pursuant to the terms of this Policy. Section **IX., GENERAL CONDITIONS**, of this Policy is hereby amended by addition of the following:

Automatic Acquisition and Due Diligence

1. It is understood and agreed that, for an additional premium amount, any property acquired, or newly leased, operated, managed or maintained (but not owned) (hereinafter Non-Owned Locations), by a “named insured” during the “policy period” shall be added to the Policy as a “covered location” upon the closing date of such acquisition, or the effective date of such lease, management, operation or maintenance right or obligation, respectively; provided that the Insurer receives written notice of the property acquisition or Non-Owned Location right or obligation within ninety (90) days of the closing date of such acquisition or the effective date of Non-owned Location right or obligation, and the “named insured” completes the following environmental due diligence assessment of the property prior to such acquisition or Non-Owned Location right or obligation:
 - a. The “named insured” commissions and receives:
 - 1) A Phase I Environmental Site Assessment report on the property that is performed by a qualified environmental consultant in accordance with the ASTM Standard for Environmental Site Assessments: Phase I Environmental Site Assessment Process in effect as of the inception of this Policy; and
 - 2) A Baseline Survey Process Report in accordance with the ASTM Standard Guide for Readily Observable Mold and Conditions Conducive to Mold in Commercial Buildings: Baseline Survey Process in effect as of the inception of this Policy; or
 - b. The “named insured” receives:
 - 1) A Phase I Environmental Site Assessment report on the property that has been conducted by a qualified environmental consultant for a third-party, provided that the assessment and related report are prepared in accordance with the ASTM Standard for Environmental Site Assessments: Phase I Environmental Site Assessment Process in effect as of the inception of this Policy; and
 - 2) A Baseline Survey Process Report on the property that has been conducted by a qualified environmental consultant for a third-party, provided that the assessment and related report are prepared in accordance with the ASTM Standard Guide for Readily Observable Mold and Conditions Conducive to Mold in Commercial Buildings: Baseline Survey Process in effect as of the inception of this Policy,

and that the consultant responsible for the reports has provided the “named insured” with written confirmation that the “named insured”, as applicable, is entitled to rely on the conclusions of the reports as if the assessment had been performed on its behalf.
2. If the Phase I Environmental Site Assessment does not identify any Recognized Environmental Conditions, as defined by the ASTM Standard for Environmental Site

Assessments: Phase I Environmental Site Assessment Process in effect as of the inception of this Policy (hereinafter RECs), and the Baseline Survey Process Report does not identify “fungi”, *legionella pneumophila* or conditions conducive to the growth of “fungi” or *legionella pneumophila* (hereinafter Conducive Conditions) the property shall automatically be added to the Policy as an additional “covered location” effective on the date the “named insured” acquired the property or the effective date of the “named insured’s” Non-Owned Location right or obligation.

3. If the Phase I Environmental Site Assessment identifies any RECs, then, before the property may be added to the Policy as a “covered location”, the “named insured” must complete a Phase II Environmental Site Assessment. Thereafter, the Insurer shall have thirty (30) days to review and approve the Phase II Environmental Assessment report. Said approval shall not be unreasonably withheld, but the Insurer reserves the right to limit coverage with respect to any RECs identified at the property, and any “pollution conditions” or “indoor environmental conditions” identified during further investigation of such RECs. Upon such approval, the Insurer shall provide a written endorsement to the “first named insured” confirming the effective date that the property has been added to the Policy as an additional “covered location”, and describing the extent of the coverage being afforded with respect to the RECs and associated “pollution conditions” or “indoor environmental conditions” identified at the property.
4. If the Baseline Survey Process Report identifies “fungi”, *legionella pneumophila* or Conducive Conditions, then, before coverage may be afforded for “indoor environmental conditions” at the property, the “named insured” must complete additional assessment or remediation activities to address such “fungi”, *legionella pneumophila* or Conducive Conditions. Thereafter, the Insurer shall have thirty (30) days to review and approve the results of the additional assessment and/or remediation activities. Said approval shall not be unreasonably withheld, but the Insurer reserves the right to limit coverage with respect to “indoor environmental conditions” or any identified Conducive Conditions at the property. Upon such approval, the Insurer shall provide a written endorsement to the “first named insured” confirming the effective date and extent of the coverage being afforded with respect to “indoor environmental conditions” or any identified Conducive Conditions at the property.
5. Additional premium for “covered locations” added to this Policy pursuant to Paragraphs 1. through 4., above, shall be calculated using the following rates:

Additional Premium Schedule

Acquired Property Type	Additional Premium
Wastewater Treatment Plant (and associated and connected locations)	\$2,250 (subject to a minimum premium of \$1,500)
Water Treatment Plants (and associated and connected locations) less than 100 connections	\$ 500 (subject to a minimum premium of \$ 250)

Terrorism Premium (Certified Acts of Terrorism): \$ 20,997

In consideration of the additional premium indicated above, which is included in the Premium as listed on the Declarations, the "insured" and the Insurer, hereby agree to the following Policy change(s):

- A. With respect to any "hostile acts" or "terrorism" exclusions contained in this Policy, or attached to this Policy by endorsement, such exclusions do not apply to a "certified act of terrorism", as defined in Paragraph C., below.
- B. With respect to any one or more "certified acts of terrorism", the Insurer will not pay any amounts for which the Insurer is not responsible under the terms of the federal Terrorism Risk Insurance Act ("**TRIA**"), due to the application of any clause which results in a cap on the Insurer's liability for payments for terrorism losses.
- C. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism pursuant to TRIA. The criteria contained TRIA for a "certified act of terrorism" include the following:
 - 1. The act resulted in insured losses in excess of \$5 million attributable to all types of insurance subject to TRIA; and
 - 2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
- D. Notwithstanding any coverage that may otherwise be afforded for punitive damages under this Policy, if any, coverage shall not be afforded for damages arising, directly or indirectly, out of a "certified act of terrorism" that are awarded as punitive damages.
- E. The coverage afforded under this endorsement shall expire at the earlier of the following dates:
 - 1. The end of the "policy period", as indicated on the Declarations; or
 - 2. **December 31, 2020.**

- F.** The premium for “certified acts of terrorism” coverage is calculated based in part on the federal participation in payment of terrorism losses as set forth in TRIA. The federal program established by TRIA is scheduled to terminate at the end of December 31, 2020, unless extended by the federal government.
- G.** If this “policy period” extends beyond December 31, 2020, please note that the TRIA premium, above, is premised on the parties’ assumption that TRIA will later be extended through the end of the “policy period”, thereby mandating that Insurer make available coverage for “certified acts of terrorism” for the entire “policy period”. In the event that TRIA is not extended beyond December 31, 2020, or otherwise expires at some point during the “policy period”, the Insurer will refund the unearned portion of our TRIA premium to the insured on a pro-rata basis. In the event that new TRIA extension or replacement legislation is enacted requiring the Insurer to offer coverage for terrorism that is materially different than the coverage requirements included in the current version of TRIA that expires on December 31, 2020, the Insurer reserves the right to re-price and prospectively modify terrorism coverage to conform with the statutory requirements and risks presented by any such new legislation.

All other terms and conditions of the policy remain unchanged.
